

November 12, 1971

WHEREAS, The classification and pay staff of the Governor's Office has conducted comprehensive studies of prevailing pay scales in private industry and other public jurisdictions; and

WHEREAS, The findings of these studies reveal that the pay ranges of most classes in the Compensation Plan need to be adjusted in order that the Commonwealth may approach a more competitive position in the labor market; and

WHEREAS, The cost of living has increased by more than 10 per cent since August 1, 1969, when the last general salary increase for State employes was granted, and six other large industrial states, Illinois, Maryland, Michigan, New Jersey, New York, and Ohio, and the Federal government have increased the salaries of their employes by 5 to 14 per cent during this period; and

WHEREAS, In view of this sharp rise in the cost of living and the fact that the Commonwealth ranks far below these other comparable public jurisdictions in the average salaries of its employes, it is imperative that the effective date of the proposed general salary increase be delayed no longer; and

WHEREAS, A small number of classes should not have pay range adjustments as the present pay ranges are competitive and further adjustments would disturb pay relationships with other classes; and

WHEREAS, A salary range of 6 steps would be more competitive than the current 7 step range; and

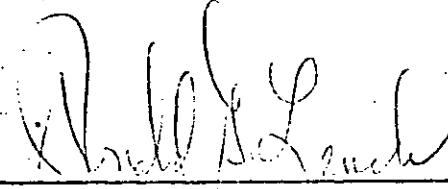

WHEREAS, The Governor in recognition of these circumstances has authorized a general pay increase of approximately 5 per cent for Commonwealth employes; therefore, be it

RESOLVED, That in accordance with Section 709(a) of The Administrative Code of 1929, as amended, the action of this Board taken July 13, 1956, approving the Compensation Plan for the Commonwealth effective August 1, 1956, be amended to provide for the following pay range schedule revisions and pay range adjustments shown on Amendment No. 267, which is attached hereto and made part of this resolution; and be it further

RESOLVED, That the number of steps assigned to a pay range in the Compensation Plan is hereby reduced to 6, and the maximum step designated as Step F; and be it further

RESOLVED, That the Schedule of Pay Ranges for State Police and the assigned pay ranges to State Police enlisted classes in the Compensation Plan, made effective July 1, 1971, shall not be change ; and be it further

Secretary

November 12, 1971

RESOLVED, That the pay ranges of most classes in the Compensation Plan shall be adjusted; and be it further

RESOLVED, That a small number of classes in the Compensation Plan shall not have pay range adjustments as the present pay ranges are competitive; and be it further

RESOLVED, That employes who occupy a position allocated to a class in the Compensation Plan and whose salary or wage is below the revised minimum rate for the class shall receive a pay increase to the new minimum rate; if the pay adjustment amounts to two steps or more, the employe's anniversary date shall change, and he shall not be eligible to be considered for a meritorious increment prior to the beginning of the first full payroll period in November, 1972; if the increase to the new minimum rate amounts to only one step, the employe's anniversary date shall not change and he shall be eligible to be considered for a meritorious increment on his anniversary date; and be it further

RESOLVED, That a salary increase of one pay step, or approximately 5 per cent, is hereby authorized for all State employes, except as provided below, effective November 14, 1971, without a change in their anniversary dates; and be it further

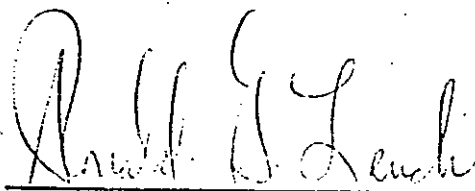

RESOLVED, That the enlisted personnel of the Pennsylvania State Police are exempt from the salary increase provisions of this resolution; and be it further

RESOLVED, That the general pay increase shall not be granted to those employes paid in accordance with Executive Board approved Special Pay Rates resolutions dated August 1, 1967, April 14, 1969, January 14, 1970, August 25, 1970, August 28, 1970, September 18, 1970, and May 25, 1971; and be it further

RESOLVED, That the general pay increase shall not be granted to those employes whose salaries are set by legislation, or exempted by written direction from the Governor or his designee; and be it further

RESOLVED, That employes on leave without pay or educational leave with pay shall receive the general pay increase upon return to active status; and be it further

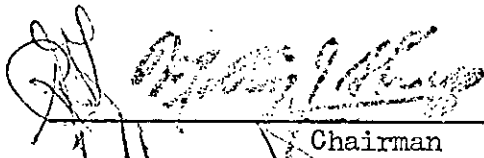

RESOLVED, That employes whose present pay rate exceeds the present and proposed maximum pay rate of their class as prescribed in the Commonwealth's Compensation Plan shall receive a pay increase of 1/2 step, or 1 step above the new maximum, whichever is greater; and be it further

Secretary
